Announcement of Winners for Environmental Competitions

The Department of the Environment, Ministry of Natural Resources and the Environment, would like to announce that all the submissions made for both the environmental poster and project competitions for high school students and primary schools respectively have been judged. The submissions were very competitive and the top three winners have been selected. For the poster competition, the first place winner is Ronesto Pineda from Eden SDA High School, the second place winner is Phaedra Mohammed-Ali from Wesley College and the third place winner is Jair Pasos from Corozal Community College; there is also a consolation prize for Rebecca Stirm from Belize Christian Academy. For the project competition, the first place winner is St. Matthew's Government School, the second place winner is Sarteneja Nazarene Primary School and the third place winner is St. Andrew's Anglican School.

All the posters that were submitted will be displayed at the Leo Bradley Library in Belize City starting April 13, 2009 and running for the rest of the month.

The Department of the Environment hereby congratulates all winners and expresses its sincere appreciation to all participating students and schools for their thoughtful and well put together submissions and in helping to inform others about the importance of taking care of our environment.
